Summary

Growth-focused Social Media and Content Strategist with experience scaling AI-driven brands from 0 to **160K+ followers** and generating **200M+ organic views** across U.S. and global markets. Strong background in short-form video strategy, audience growth, paid social optimization, performance analytics, and creator partnerships for early-stage startups and remote-first teams.

Work Experience

AI for Future

[Remote](#)

FOUNDER & GROWTH STRATEGIST

Feb 2024 – 2026 April

- Scaled an AI-first digital brand from 0 to **160K+ followers** by executing consistent, data-driven short-form content strategies.
- Produced and optimized **150+ short-form videos**, generating over **200M+ organic views** across Instagram and Facebook platforms.
- Led brand partnership campaigns end-to-end, generating **\$5K+ revenue** through structured outreach, negotiations, and delivery.
- Improved reach, retention, and non-follower discovery using audience analytics, hook optimization, and systematic A/B testing.

ZOF AI

[Remote \(U.S.A\)](#)

CONTENT & SOCIAL MEDIA STRATEGIST

2025 Nov – Feb 2026

- Executed short-form content and social media strategy to increase brand awareness and drive consistent top-of-funnel growth.
- Managed content publishing, scheduling, and performance reporting using Meta Business Suite, Hootsuite, and Buffer tools.
- Translated complex AI concepts into clear, creator-friendly content aligned with platform trends and established brand voice.
- Optimized posting cadence and engagement by analyzing performance metrics and audience behavior patterns over time.

Social Media Campaigns & Performance

Short-Form Video Growth & Performance Marketing

[Remote](#)
